

---

# Cieffe focuses on *People and their passion,*

in a context increasingly oriented toward teamwork, integration between functions with sustainable processes, fostering a model of leadership and behaviour that reflects the fundamental principle of valuing People and offering **equal opportunities for development, promoting diversity, equity, and inclusion,** also gender, in the organisation

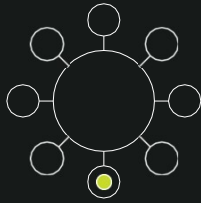

---

# We are Cieffe

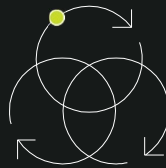

## *Our values*

What defines Cieffe is what inspires us and is reflected in our corporate values. These are values that are maintained only if all of us in the company, regardless of the work we do and at all levels, are constantly committed to them.

### *Collaborative capacity*

Collaborating and teaming up while showing empathy

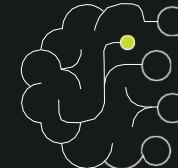

### *Listening and relations*

Constructive dialogue by actively listening

### *Participation in continuous improvement*

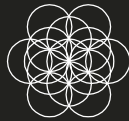

Bringing one's contribution to support the success of the company

### *Courage*

Taking action, experimenting and stepping out of one's comfort zone to achieve excellent and quality results

# *Mission*

To translate our partners'  
creative  vision into  
*exclusive garments.*

# Vision

We strive to create an **integrated manufacturing platform** with a "proximity ecosystem" by partnering with other Italian leaders in excellence, with whom we share values and a strong work ethic. We have a collective vision with our brand partners, engaging in a dialogue of continuous learning through an integrated, controlled and sustainable supply chain.
